

CAMPUS SANDING PROCEDURE FOR INCLEMENT WEATHER CONDITIONS (SNOW/ICE)

I. PURPOSE

To establish a standard policy to provide safer walkways, steps, and address hazardous street locations when the campus is affected by inclement winter weather. When UTD Campus is **OPEN**, sanding operations will be from 7:00 am to 5:00 pm.

II. ACTION ORGANIZATIONS

- Facilities Management Grounds Maintenance Department
- Facilities Management Building Maintenance and Operations Department
- Office of Research and Academics Safety Risk & Insurance Administrator
- University Police Department
- Parking and Transportation Services
- Dining Services
- Housing Operations

III. GENERAL

The attached Open Campus Sanding Map (A) and Sanding Map in Case of Cancelation of activities (B) will be a general identifier of the critical areas that will be treated with sand by the Grounds Maintenance Department.

All Grounds personnel will be available no later than 6:00 am for sanding. If inclement weather treatment is necessary, **by 5:00 am** the Police Department Chief or Assigned Officer will contact the following personnel to advise them of the campus status (open /cancelation of activities) and if there is snow/ice to be treated if the campus is open.

Contact	Position	Cell Phone
Dale Bufkin	Landscape Superintendent	(214) 206-6074
Jose Ortiz	Grounds Maintenance Supervisor	(469) 585-0872
James Johnson	Grounds Maintenance Supervisor	(214) 724-1638

The Grounds crew will sand according to the attached plan. The UTD Police will set out barricades as needed to block off hazardous areas larger than pedestrian walks. All stairways will be taped off by the Police Department. The Police Department will also carry 50 pounds of sand in their vehicles to assist in any trouble spots or areas that were not previously apparent as requiring treatment.

IV.EARLY RELEASE

Early closing of the University will require advance notice to the Facilities Management of Two Hours to prepare the pathways and roadways for safe travel out of the University.

V. CANCELATION OF ACTIVITIES ON CAMPUS

When activities on Campus are canceled, the corresponding map will apply (Attachment B). Sanding operations will commence from 7:00 am to 5:00 pm. All other areas on campus will be accessed on an "At Your Own Risk" basis. The Police Department will be provided materials and tools (sand and shovels) in order to address any emergency situations that arise. Increased priorities will be given to pathways that students will use from the Residence Hall to the Dining Hall and from the Apartments to the campus.

VI.PROCEDURE

A. Method of Snow/Ice Clearing

- For designated buildings entries, steps, and handicap ramps having a thin layer of ice, sand will be used.
- For bridges, inclines, and crosswalks having loose snow and ice, the ice and snow will be removed followed by spreading of a thin layer of sand over the area.
